In Amherst Variable Message Boards are on.

RCMP are scanning/ filtering traffic for protesters.

Nothing of concern yet. Will update as required.

Hi Folks:

We just had a call with a number of stakeholders (law enforcement, justice, health, ems etc etc) to discuss the potential NB/NS boarder blockade tomorrow.

As a result of the discussions, one thing that came from the meeting was that RCMP have identified a number of "rolling convoy" protests planned for tomorrow across the Province. It is my understanding that they are all convoys that are planned to go to Halifax. Here is a list of locations and times where they will meet (Ian, Troy or Adam, if I missed any please feel free to weigh in):

1. Port Hasting 7:30 am
2. Yarmouth 10 am
3. Shelburne 10:30 am
4. Liverpool 12:15 pm
5. Bridgewater 1:15 pm
6. Timberlea 2:15 pm
7. Berwick 11:00 am
8. Greenwood 10:30 am

There was also some talk of activity near the causeway, and the wharf where the NFLD Ferry ties up in Sydney.

The sense I got from the call was that this could be a very busy and disruptive weekend, given the nice weather. If any issues arise in your district, I would ask that you keep myself, Deborah and Brett up to date. Please share with your management teams.

Thanks
Mark
